The Olde Bell Inn

'One finds one's best welcome at an Inn'

The Olde Bell is the first in a family of modern coaching Inns, all in historic timber framed buildings. Using locally sourced food cooked simply; eating, drinking and lodgings.

Parts of the building date back to 1135, with nooks and crannies and crooked floors. For the warmer months, enjoy local ales and local eats from our summer kitchen in our huge meadow garden and large terrace shaded by apple trees. For the winter months, make yourself at home in our dining room with open fires and comfortable high backed settles to feast with friends.

Now taking bookings for Christmas from small gatherings to larger groups.
